Everyone,

This is what was sent over. The TD is what gets the wheels moving with our contractor. Like I said, none of these details are set in stone – if you have comments or changes, please let me know.

Thanks,

Matthew

Greetings Eric,

Attached is the signed technical directive for the Harbor Bridge project. Attached also are details/background information to inform the project. We would like to schedule a kick-off conference call the first week in December.

Thank you,
Sheila Lewis
